FOR IMMEDIATE RELEASE

Action Carting Acquires NY Waste, Inc. *ACTION CARTING IS GETTING INVOLVED IN ALL THE ACTION BY TAKING OVER ITS FIFTH WASTE CORPORATION IN NYC*

(**NEW YORK, NY**) August 4, 2008 - Action Carting Environmental Services, Inc. ("Action") announced its fifth acquisition of its latest corporation NY Waste, Inc. last week. Action Carting is the fastest growing, most innovative provider of non-hazardous waste management services for the city of New York, catering to a diverse range of industrial and commercial customers, including restaurants, medical facilities, building contractors, investment banks and most every other business in the city.

"While there are many companies out there who try to win business by being the low-cost provider, at Action we rely on openness, and honesty in dealing with customers, especially when obtaining new ones," said Ronald S. Bergamini, CEO, Action Carting Environmental Services.

With this acquisition, Action Carting will now pick up an additional 620 customers including 95 Starbucks from NY Waste. Prior to this, Action Carting obtained all New York City assets of Waste Management in a mass effort to help clean up the city. With recent expansions Action Carting can be found in all five boroughs servicing both Yankee and Shea Stadium. Action Carting operates an advanced fleet of vehicles 365 days a year in the city that doesn't sleep.

About Action

Action is a leading provider of solid waste and various recycling services in the five boroughs of New York City. It is a company founded on the principles of respect for its people, care for the environment and a dedication to customer service excellence. Today, in order to remain true to its founding principles, Action relies on innovation to deliver environmentally friendly, customer-focused services to the business community of the city of New York - a community that expects results. To achieve success, Action is guided by both its own legacy and by client demands. Action is a company committed to results.
