

CONTAINER SIZES & SPECIFICATIONS

Action Environmental has been successfully serving businesses in New York City for over 20 years and built a reputation as one of the city's premier haulers.

Our comprehensive inventory of waste collection containers, expansive fleet of collection vehicles, and in-house fabrication and maintenance department, give us the flexibility to equip and serve any customer.

COMPACTORS

Action maintains a full welding and fabrication facility that is equipped to custom design, construct and install any size compaction equipment to meet a customer-specific application. All containers and compactors are maintained by our in-house maintenance team.

REAR-LOAD

Rear-load dumpsters have a wide variety of applications and are a popular choice for urban area businesses with limited storage space. Frequently used by restaurants and retailers, many of our rear-loads are on wheels so you can easily tuck them into a tight space and wheel them out when it's time for collection.
