WHAT OUR CUSTOMERS ARE SAYING...

YANKEE STADIUM, BRONX

"The Yankees and IWS have been collaborative partners for more than 15 years. Among MLB facilities, Yankee Stadium is one of the leaders in ballpark sustainability with the support of IWS. Whether it's meeting new waste diversion goals, developing custom reporting, or attending to urgent service needs, IWS is a dedicated partner that we can rely on to get the job done."

CHELSEA PIERS, L.P., NEW YORK CITY

"When Chelsea Piers was searching for a new carting firm, we placed a high value on a firm's commitment to become our partner and not just a company that picks up trash. Chelsea Piers' focus is to maintain a clean and safe premises. Action Carting has successfully and seamlessly adapted to our critical requirements with respect to pick up times, days of the week, and overall site conditions. They truly understand the value of partnering to make trash management successful and invisible for a business."

CUSTOMER TESTIMONIALS

COMPASS ONE HEALTHCARE, NEW YORK CITY

"Action Carting has been an excellent partner to Compass One Healthcare over the past 12 years. Together we provide unparalleled support services to our many healthcare partners in the New York City market. The team at Action Carting are responsive, professional, and dedicated to providing outstanding service and customer support."

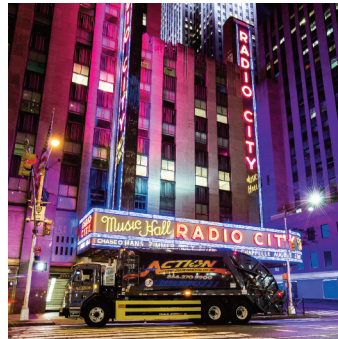

WOODRIDGE PRODUCTIONS, INC., NEW YORK CITY

"We've been a happy customer of IWS/Action since 2013. As a television production company with hundreds of employees and 3 expansive sound stages, it's essential for us to have such a reliable carting service that can accommodate our volume and constantly changing schedule. Action's flexibility and quick response time has been key to us running smoothly for 8 years."

CITY MD, NEW YORK & NEW JERSEY

"As a fast-paced, rapidly growing business, we need a provider that can keep up as we expand to new locations across New York and New Jersey. IWS consistently provides our clinics with efficient, reliable waste disposal and recycling services, allowing us to remain focused on the health and safety of our patients and community."
